6 Student Engagement

*6.1 HISA Perth College Update

The Student President introduced the paper and provided an update on recent activity. The Committee noted the report and in particular the following:

- the Committee noted that William Mohieddeen had started in the role of Student Association Co-ordinator;
- around 60 new student representatives had been appointed and meetings were ongoing to induct them into
their role;

- proposed changes to the way that activity grants were allocated to put greater emphasis on opportunities for student fundraising, and a cap on the level of bid funding that could be requested via HISA Perth. This was to encourage students to explore fundraising opportunities to support their bids and to lessen reliance on bid funding, potentially leading to HISA being able to support a wider type/number of bids.

### 6.2 PCSA/HISA Student Partnership Agreement Projects 2017-18

The Committee noted the projects that formed part of the partnership agreement and progress against each and that the new bid process for activity grants may result in more money for a wider student programme. The Committee also noted work that was ongoing with Quality to engage student representatives. Plans were also being developed to appoint sector-level representatives.

### 7 Performance Monitoring

#### 7.1 Balanced Scorecard Update

The Committee noted the Balanced Scorecard update and that individual actions arising from the positive and negative trends identified in the scorecard were taken forward as appropriate. The Committee noted that CPD had fallen, but this was thought to be down to a recording anomaly and staff failing to recognise the wide range of activities that could be considered as CPD.

It would also be helpful to identify percentages in the report rather than absolute numbers.

#### 7.2 Student Surveys (National Student Survey and Student Satisfaction and Engagement Survey)

The Committee noted the trends arising from the student surveys and the actions that were taken to address subjects with positive and negative results. The UHI Principal had recognised areas of excellent performance by personally writing to subject leaders in those areas. The Committee noted that the National Student Survey was a sector wide survey whose results were important for positioning especially in terms of international student recruitment. UHI had to work hard to increase its performance in the student surveys.

The Committee further noted a big rise in the numbers of students wishing to access services to support mental health and
that new ways of providing services were emerging.

Work would continue to analyse the feedback to try get to the root causes of areas of concern and ways to address them.

8 External Engagement

8.1 Partnership Engagement and Draft Perth and Kinross Community Plan (Local Outcomes Improvement Plan)

The Principal reported on ongoing engagement with the Council and the Committee noted the final version of the Community Plan. The Principal would attend a conference on the plan on 15 November 2017. The Board welcomed the final version of the plan, the positive working relationship with the Council that developed during the consultation process and the integrated approach taken to delivering outcomes.

9 Staff Engagement

*9.1 Staff Conference

The Committee noted plans for the next Staff Conference on 17 November 2017. The Principal would address staff initially, followed by keynote address from Barbara Nelson of Education Scotland who would present on the actions arising Evaluative Report and Enhancement Plan. Three workshops were also planned and staff would sign up to attend two sessions from:

- An introduction to career management skills
- Principles of lean
- Supporting our students to be successful

10 Board Development

10.1 Board Development Day – 23 September

The Board Secretary circulated the note of the Board Development Day held on 23 September 2017. A number of actions were being taken forward and progress would be reported to the next Development Day on 20 January 2018.

Proposed topics for the Board Development Day on 20 January 2018

10.2
