Perth College UHI Nursery Dignity and Privacy Procedure

1 Purpose

- 1.1 The purpose of this procedure is to provide guidelines to ensure that a consistent approach is in place within the Nursery in how staff deal with nappy changing, toilet training and toileting. Children's dignity, privacy and welfare needs will be met and infection control measures adhered to.

2 Scope

- 2.1 The procedure is relevant to all Nursery Staff, and all children who are in the care of the Nursery.

3 Definitions

- 3.1 None.

4 Responsibilities

- 4.1 The Nursery Manager has overall responsibility for ensuring that this procedure is implemented.
- 4.2 All staff members are responsible for following the procedure and for ensuring that their professional practice supports its implementation.
- 4.3 The Nursery Manager is responsible for monitoring the effectiveness of the procedure and will access relevant feedback from staff to support this.
- 4.4 The Nursery Manager is responsible for the reviewing and updating of this procedure.
- 4.5 The College Management Team is responsible for approving the procedure.

5 Procedure

- 5.1 The dignity, privacy and welfare of the child is the primary concern and is protected at all times.
- 5.2 When toilet training children, staff:
- Support the wishes of parents regarding toilet training and offer advice if requested.
 - Accompany the child to the toilet.

- Wash hands before putting on blue nitrile gloves and a blue disposal apron.
- Assist the child when necessary while encouraging self-help skills.
- Ensure the child washes their hands for 20 seconds with soap.
- Where appropriate, empty the potty into the toilet.
- Immediately clean the potty with water and Salvesan spray.
- If clothing has been dirtied by faeces, carefully dispose of the faeces in the toilet and place soiled clothing in a nappy sack that is labelled with child's name.
- Dispose of paper towels, gloves, and apron in the waste disposal bin.
- Wash their own hands.

5.3 When changing a nappy, staff:

- Place the child on a nappy changing table.
- Wash hands before placing on appropriate protective clothing, blue nitrile gloves and a blue disposal apron.
- Change the child using wipes to clean him/her.
- Dispose of all soiled materials including gloves and aprons in the waste disposal bins.
- Before dressing the child, used gloves should be taken off, hands washed, and fresh gloves put on.
- Clean the changing mat and table immediately with Salvesan, waiting for the contact time before wiping down with a paper towel.
- Dispose of the paper towel in the waste disposal bin.
- Wash their own hands with soap for 20 seconds.
- Ensure the child washes their hands for 20 seconds with liquid soap.
- Where there are child protection concerns in relation to the child, another member of staff is called upon to witness the procedure.

5.4 The doors to all children's toilets within the Nursery are closed sufficiently to ensure that children have an appropriate level of privacy and dignity when using them.

5.5 If a child accidentally soils themselves or need to be changed for any reason, they will not be changed within their playroom and therefore not in front of their peers. The child is moved to a toilet for a staff member to change and clean them as appropriate.

5.6 Blue Nitrile gloves must be used for all personal care procedures.
