1 Policy Statement

1.1 This document sets out the policy for the awarding of further education fee waivers in Perth College UHI. This policy refers to Scottish Funding Council policy and guidelines on fee waivers, which is reviewed annually. A position is also set out for the awarding of discretionary fee waivers from a college's individual budget.

2 Definitions

2.1 Scottish Funding Council ("SFC"): SFC is the national, strategic body that is responsible for funding teaching and learning provision, research and other activities in Scotland's colleges and universities. SFC provides funding that colleges can claim for fee waivers.

2.2 Fee Waiver: Some students will be able to access a fee waiver, which means they will not have to pay their own course fees. Eligibility for a fee waiver will be assessed at the start of the course, and the student may be required to produce evidence to support their application.

3 Purpose

3.1 This policy sets out a robust and transparent framework for the awarding further education course fee waivers at Perth College UHI.

3.2 The policy will create an equality of experience for students across the partnership, whilst allowing individual colleges the flexibility to respond to local needs.

3.3 SFC Funded Fee Waivers

The core of this policy is based on the SFC Fee Waiver Policy, associated annexes and appendices. The current SFC Fee Waiver Policy can be accessed here. The majority of fee waivers will be approved by the college and funded by SFC.

3.4 Discretionary Fee Waivers

Students attending the University of the Highlands and Islands will have a parity of experience through the use of SFC fee waivers. Under exceptional circumstances and subject to individual budgets, colleges have the power to award discretionary fee waivers and for the college to pay the course fees.

3.4.1 Categories of Discretionary Fee Waivers include but are not limited to:

- Staff development, where a course is an essential part of an approved staff development plan;
- Where the college stipulates compulsory completion of an additional qualification as part of the main course;

- Exceptional requirements, where college senior management identify a local benefit to use of Discretionary Fee Waivers (being cognisant of 3.4.3).

3.4.2 Colleges should endeavour to create parity of experiences for students across the region through their use of discretionary fee waivers.

3.4.3 Due consideration should be given to the impact of discretionary fee waiver usage on other colleges in the University of the Highlands and Islands partnership.

3.5 SVQs

3.5.1 Students undertaking a part-time SVQ as a condition of their employment will not be awarded a fee waiver. In these circumstances, the employer is normally expected to meet the cost of the fees.

3.5.2 Students undertaking a SVQ where it is not a condition of their employment may be eligible for a fee waiver dependent on the course and their personal circumstances.

3.5.3 For students undertaking a part-time SVQ regardless of whether it is a condition of employment, their eligibility for fee waivers on additional courses will be assessed according to the current SFC Fee Waiver Policy, associated annexes and appendices.

4 Scope

4.1 This Policy applies to all applicants for further education courses (full-time and part-time), except for the courses set out in Section 5 below.

4.2 Applicants for higher education courses should refer to the Higher Education Fees Policy. Higher education courses are normally Level 7 and above on the SCQF Framework.

5 Exceptions

5.1 Courses outwith the scope of this policy are:

- Any non-credit bearing leisure courses, designed for hobby or personal interest.
- All commercial courses, designed and delivered for a particular business/industry.

5.2 Please refer to the accompanying Fee Waiver Procedures and eligibility flowchart for further information.
