FE Prizegiving
Thursday 6 June 2019

Welcome

Thank you for joining us today to celebrate the achievements of our outstanding students.

All of our students have worked incredibly hard to achieve their outcomes in their chosen programme of study, they have demonstrated a level of commitment and determination which is being rewarded today.

Our students have been supported by their families, their friends and by the staff of the College who have encouraged them to achieve as high as they possibly can. Many of our students have also been supported by employers and sponsors and our thanks go to everyone who has provided this level of support.

I am delighted that you are all here to share in this very special day and my congratulations go to all of our prizewinners, I wish you well for the future and hope that you will return to the College in the future to continue your learning journey.

Nicola Martin

Business Owner of Red String Ltd and SmallCityBigPersonality.co.uk

Nicola Martin is a local girl, who grew up right here in Perth. She is the owner of Red String Ltd, a company that houses The Red String Agency - a press and marketing agency - and well-known local website, Small City, Big Personality, an award-winning online magazine.

Nicola graduated from Perth College UHI in 1998 with an HND in Communication. She used this as her launch pad for gaining entry into her first career-path job - Marketing and Press Assistant for St John's Shopping Centre - and to set her on the path for completing professional qualifications from the Chartered Institute of Marketing.

In the 20 years since then, Nicola has worked for various clients across Perthshire and wider Scotland, carrying out marketing and press campaigns ranging from construction copywriting to the promotion of 5-star hotels.

She is passionate about storytelling, and with Small City, Big Personality approaching five years old, she is driven by the fact that she has been successful in creating and growing her all time dream job.

She is delighted to be joining all of you, now her fellow Perth College UHI Alumni, for this Prizegiving experience.
