# FE Prizegiving

Thursday 2 June 2016

“Our students are at  
the heart of all we do...”

# Welcome

I am delighted that you are joining us today, as we celebrate the success of our outstanding students.

This year we have seen exceptional achievements by our students and we will be acknowledging their individual effort, determination and commitment to their chosen programme of study, in order to gain and improve their skills.

We know that our students have been well supported by their families and friends, our dedicated staff and in many cases through their individual sponsors and employers. It will indeed be a great pleasure for all of us to share in their success on this wonderful day.

Many congratulations to you, our prize winners, and we hope that you will continue your education with us throughout your careers.

Margaret Munckton

Principal

# Mark Beaumont

## World record holding adventurer and TV broadcaster

Mark Beaumont has become a household name through his documentaries about ultra-endurance and adventure. His first taste of adventure was at the age of 11, when he decided to cycle across Scotland and he first made fame aged 23 for an 18,000 mile round-the-world bike race, where he smashed the previous World Record by a staggering 82 days. In 2015 Mark rode the length of Africa at a pace of 160 miles a day, taking 18 days off the previous best.

Off the bike, he has ocean rowed through the high Arctic and survived after capsizing whilst rowing the Atlantic.

His epic documentaries have taken viewers to over 100 countries and he also presented the BBC's coverage in the build up to the Glasgow 2014 Commonwealth Games. Mark was named Top Scot in 2011 and has received an Honorary Doctorate in Laws, The University of Dundee, where he is also currently Rector.

---

# Order of Ceremony

## Welcome

**Margaret Munckton**

Principal

## Keynote Speaker and Presentation of Prizes
