# CERTIFICATE & PORTRAIT FRAMES

Walnut finish

Mahogany finish

Black finish

Champagne finish

Beech finish

Certificate, portrait and combination frames available in a variety of finishes

Please note: Frames do not include photographs or certificates

## PHOTOGRAPHY INFORMATION

### It helps to plan ahead

#### Create a lasting memento of your graduation

Certificate and portrait frames. Our hand crafted certificate, matching photograph and combination frames are available in a range of classic or contemporary finishes and are produced from solid wood sourced from managed forests. Frames incorporate an elegant mount displaying the name of your institution and crest or logo. They are produced from pH neutral card to protect your certificate from discolouration. We will mail your frames direct to your home.

*Please note: all frames are supplied with acrylic glass for safety reasons. Frames and mounts may vary slightly from those pictured.*

#### Having your photographs taken

To enable you to spend more time with your family and friends after the ceremony, our studios are open as soon as the gowns are available so that you can have your portrait taken early (scrolls are provided for this purpose).

#### Photographic suggestions

**Glasses:** we would suggest that you consider not wearing glasses for your portrait as they tend to cause reflections in the photograph. If you are in doubt please consult your photographer.

**Appearance:** please note that you are responsible for your own appearance – please check your hair and attire before having your portrait taken. We provide mirrors for you to use.

#### What to wear

For men, a dark single-breasted suit or jacket, together with a shirt and tie always looks good. Ladies will find that a front buttoned blouse or some means of securing the hood in place, such as a brooch, is always helpful.

#### Payment

Pre-order today via our website to receive exclusive online savings. Book online at [www.edeandravenscroft.com](http://www.edeandravenscroft.com) to ensure a prompt service. Alternatively, you can order and pay at the sales desk on your graduation day, prior to being photographed. However, prices will be higher than pre-ordering.

We recommend that to save time on graduation day you pre-order your photographs at least 10 days before ceremonies at your institution commence.

You will be sent an acknowledgement card of your pre-paid order. Please bring this with you on your graduation day.

Product lines are accurate at time of print, we reserve the right to discontinue and/or change them at any time. To view our current range please visit our website.
