Officer Updates

Perth President

"Dear Students,
I hope you are all doing well!"

In November I ran a library day event to give students the chance to explore the services on offer and participate in some creative writing.

I have set up a drop In every Tuesday from 1-2pm at the Brahan Costa for all students to come and chat or ask questions in a safe space.

Furthermore I have also set up a hot desk in the library where you can find me every Thursday between 11am-1pm so please feel free to come over and chat!

" I hope you all enjoy the holidays when they arrive! "

Vice President of Education & Engagement

"Hi everyone, I hope you are all coping with exams and looking forward to a well deserved break!

This month I've been busy inviting local businesses to our refreshers event to advertise local employment opportunities and chances to boost your CV! I will be pushing for stalls with activities, food and freebies!

I'm continually exploring new methods for doing things. This has included investigating the best way for students to learn, (Could it be through platforms like TikTok?) removing barriers concerning face masks and creating an effective and interactive anti-bullying campaign.

I have also started a project to boost student employment post-study by asking staff to call upon their industry experience and contacts to share opportunities and advice.

Remember you can always find me at SRC meetings! This is a good opportunity for me to speak about SVRs and generate discussion around key issues!

Vice President of Activities & Welfare

“Hello all, I hope you are enjoying the festive season! “

This month I've been busy planning upcoming events for the New Year which include a Mental Health Event that I will be co-hosting with our lovely Perth President! We are putting together some exciting goodie bags to give away so be sure to come along!

I have also created a series of handy documents that should make it easier for you to join one of our existing clubs/socs or start up a brand new one! Look out for these appearing around campus shortly or stop by our office in the Webster and pick one up!

Last but certainly not least I have been representing student interests at Board and Committee Meetings in addition to preparing for the upcoming Education Scotland Inspection.

“Wishing you all a very happy hoilday! “

COVID-19 Student Guidance

In response to growing student feedback and concerns, HISA Perth would encourage all students to read the following information to help protect yourself and other students whilst on campus.

We recommend all students wear a mask or an alternative face covering whilst indoors on campus unless you are exempt. These should only be removed once you are outside or if you are eating/drinking.

We encourage those that are exempt to participate in the Sunflower Scheme to help eliminate potential miscommunication. Sunflower items are available to collect at Student Services as well as Campus Receptions.

We would like to remind those participating in the Sunflower Scheme that these items do not have to be actively displayed at all times. You may instead choose to carry such items in a pocket or bag to present if requested.

Events Calendar: December 2021

HISA Perth Festive Quiz

**21st December,
2-3pm
Online**

*Come and test your knowledge
at our Festive Quiz hosted
by our own
Perth President Todor!*
