Perth President

" Dear Students, Welcome Back! "

I hope you all enjoyed your time off and are settling back into campus life. I can't believe we are in 2022 already!

Last month I attended the Education Scotland Review and was delighted with the positive feedback we received. The future looks bright and I can't wait to see what new opportunities await HISA Perth in the year ahead.

This month I will be attending our largest annual event HISA Con and finalising the preparations for our upcoming Mental Health Event in February.

"Don't forget you can always come and talk to me at our office in the Webster about any issues or ideas! "

Vice President of Education & Engagement

" Welcome Back Everyone! "

I hope you are all well rested and ready to resume your studies. Semester 2 is fast approaching!

Last month I met with students to launch a visual anti-bullying campaign following feedback from SRC meetings. I would encourage you all to stay positive and support each other during these challenging times.

I am currently in the process of creating an updated student friendly map of our campus. I hope this will reduce confusion especially to those of you who have recently joined us.

"Don't forget to take part in Refreshers to discover all the great opportunities and services Perth College UHI has to offer!"

Vice President of Activities & Welfare

"Happy New Year!"

I hope you all enjoyed the festivities and are ready to tackle new challenges and seize opportunities in the year ahead!

Last month I met with the newly formed Perth College UHI Sustainability Group to discuss what we can do to create a more environmentally friendly campus.

This month I spoke with the Senior Management Team about staff and student concerns regarding face coverings. I intend to set up a focus group next month for students and would love to hear your feedback!

" HISA Elections are fast approaching! If you are interested in standing please come and talk to us or visit our website: www.HISA.uhi.ac.uk "

HISA is an organisation led by students, for students. Every year, students elect from amongst themselves the new leadership team of HISA. This is a great opportunity for you to represent your fellow students and change the student experience for the better.

HISA is the students' association that exists to represent all students in the Highlands and Islands – whatever you study, wherever you study. There are a range of different roles available where you can leave a legacy for students in your region and where you learn.

HISA elected officers represent the voice of students. They sit on the highest decision-making bodies of UHI and its academic partners, meet with local and national politicians, and campaign for change. They do all this to change people's lives.

To become a HISA officer, you don't need to submit a CV, attend an interview or have prior experience. To become an elected HISA officer, all you need is a vision of how being a student can be better, and to secure the support of your fellow students in an election.

To find out more information about standing as a candidate come and talk to us at the Webster or visit our website at:
