Officer Updates

Perth President

"Hello everyone, welcome back, I hope you all enjoyed Spring Break! "

I am delighted to announce that I have been re-elected as your President for the 2022-23 Officer Term!

I look forward to continuing to help improve the student experience for all of you!

This month has been super busy for me planning multiple events including a second library day and HISA Day to help raise awareness of our students association and how you can get involved!

Vice President of Education & Engagement

" Hi everybody, I hope you are all looking forward to the final few months of study before summer! "

As usual I've been busy planning for our Student Voice Rep Meetings. These are the perfect opportunity for you to raise any concerns you may have for us to take to key decision makers within UHI!

I would strongly encourage those of you that are returning to study next year to put yourselves forward for the role. It's a great opportunity to socialise whilst contributing to student life and improving your CV!

I'm also in the process of planning a Sports Day, more info to come on that shortly!

Vice President of Activities & Welfare

" Hello everyone, I hope you are all nice and refreshed after the break! "

I'm delighted to announce that I have been elected as your next Regional Vice President of Communities for the 2022-23 Officer Term!

I will miss working locally here in Perth but believe this is a great opportunity for me to fight for student rights across the wider UHI and I'm excited for the challenges that lie ahead!

This month I have been busy planning events including a campus wide Easter Egg Hunt and a joint Mental Health Event with your Perth President in May.
