

## Sketchbook Brief:

Produce an A3 personal sketchbook, which contains your visual research and exploration on one major topic that interests you, or several smaller projects on various topics.

Suggested topics might be: Identity; Space; Security or Power.

Your sketchbook should include a variety of **visual research** including:

- Sketches from life.
- Original sketches and concepts.
- Line, shape and colour tests.
- Photography.
- Collected and found imagery.

Your sketchbook should also include **experimentation** and **development of ideas** in a variety of media including:

- Paintings.
- Drawings.
- Mixed media.
- Photography.
- Digital work (if you have access to a computer).

Comment within your sketchbook on the process and your own feelings about each piece, this could be random words or structured poetic or prose commentary.

**Deadline: 4 weeks from the date of your conditional offer.**
