

Assistive Technology Workshops

My Study Bar

Helps overcome problems that students commonly experience with studying, reading and writing. The tool consists of a set of portable open source and freeware applications, assembled into one package.

- FREE to download and use.
- Over 15 apps to choose from
- Designed to support all learners.
- Puts a whole range of individual and essential tools at your fingertips.
- Flexibility and independent learning

Read & Write Gold

Improving students' reading confidence and attainment with the world's bestselling literacy software. A flexible toolbar that supports students on any device. Read&Write includes all these features and lots more!

- Improve your reading comprehension by listening to text being read aloud.
- Understand the meaning of unfamiliar words with text and picture dictionaries.
- Construct sentence with ease and develop your writing skills with the help of word prediction.

To book a place on either of the training workshops:
