Disabled Students Allowance (DSA)

The Disabled Students Allowance (DSA) is a supplementary allowance for UK domiciled students to cover any extra costs or expenses incurred while studying, arising because of a disability. Costs covered can include items such as laptops and printers, assistive technology and Non-Medical Personal Help (NMPH) such as Study Skills Support or Mental Health Mentoring.

Do I Qualify?

If you are HNC or above you may be eligible – however, exclusions may apply. Students who are studying both full time or part time may be eligible, for further information please contact the Additional Support Service.

When do I apply?

Applications for the upcoming academic year will begin in May for DSA, closing date for applications is March 31st. New and continuing students will need to reapply for DSA each academic year, it is best to do this as soon as possible once applications open.

For further information on DSA, a video can be found at the following link to provide an overview of what is available and who can be supported.

UHI | PERTH

At UHI Perth, we want to better understand how you make use of the various physical spaces and buildings on our campus. Your input is therefore crucial to help us understand what works, what doesn't work and what could be better.

This survey will only take an average of 5 minutes to complete and your input will help us to plan improvements that will help with your studies.

'make sure you have your input by end of play Friday 15 March

BOOK RECOMMENDATION

In The Four Agreements, bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, The Four Agreements offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love.

- 1.Be Impeccable With Your Word
- 2.Don't Take Anything Personally
- 3.Don't Make Assumptions
- 4.Always Do Your Best

Did you know?

That between 26th February – 3rd March was Eating Disorders Awareness week.

Eating Disorders Awareness Week is a week-long campaign that aims to shed light on the complexities of eating disorders, including anorexia nervosa, bulimia nervosa, binge-eating disorder, and others. The event emphasizes the importance of early intervention, access to treatment, and reducing the stigma associated with eating disorders. It provides a platform for individuals to share their stories, raise awareness, and offer support to those in need.

It's important to remember that eating disorders are not all about food itself, but about feelings. The way the person interacts with food may make them feel more able to cope, or may make them feel in control.

- Approximately 1.25 Million people in the UK have an eating disorder*
 - Around 25% of those are male*
- Recent research from the NHS information centre showed that up to 6.4% of adults displayed signs of an eating disorder

Did you know?

Did you know there are a variety of free condoms available to collect from the Student Support Hub in the Brahan Building? We know asking for such things can be... well, embarrassing... however, these are here for you to collect as and when you like without having to ask. We have paper purple bags to the side you can use to store them, along with information leaflets on how to use a condom, pregnancy, STI's and other forms of contraception.
